BUCKLAND GENEALOGY

W. Tracy Eustis

PREFACE

In compiling the Buckland Genealogy, I followed the family of Thomas, who was one of the earliest freemen in Massachusetts and who was claimed as the ancestor of Electa Buckland, No. 54, and Nathaniel Moseley, No. 116 - but I find the line run only and then I followed the next oldest Buckland on record, William, No. 1, and who was in Hingham in 1635, see page 6.

The Buckland family were early in Rehoboth and their records have more of the name than any other town.
